THE SCHOOL-BASED HEALTH CENTER ENROLL TODAY!

Dear Parents/Guardians,

The School-Based Health Center is located right in your child's school to ensure that they are healthy and ready to take on this school year! We offer the following services:

- First Aid
- Immunizations (e.g. Flu, MMR, HPV)
- Routine Care for Chronic Illness
- COVID-19 Nasal PCR Test
- Physicals for Sports and Camp
- Hearing/Vision Screenings
- Dental Varnish to Prevent Tooth Decay
- Mental/Behavioral Health Counseling
- Telehealth Visits
- Age Appropriate Reproductive Care

We encourage you to enroll your child today. There are no out of pocket costs or copay charges for the services we provide, and your child will miss fewer days of school. We also offer Telehealth visits when your child is not in school—using your phone, computer, or tablet/iPad.
