Message

NOVEMBER 25th

Dear Students and Families,

As we enter the month of November, I want to take a moment to reflect on the great start we've had to the school year. The first marking period is now behind us, and this is a perfect time for students to review their grades, celebrate successes, and identify areas for growth.

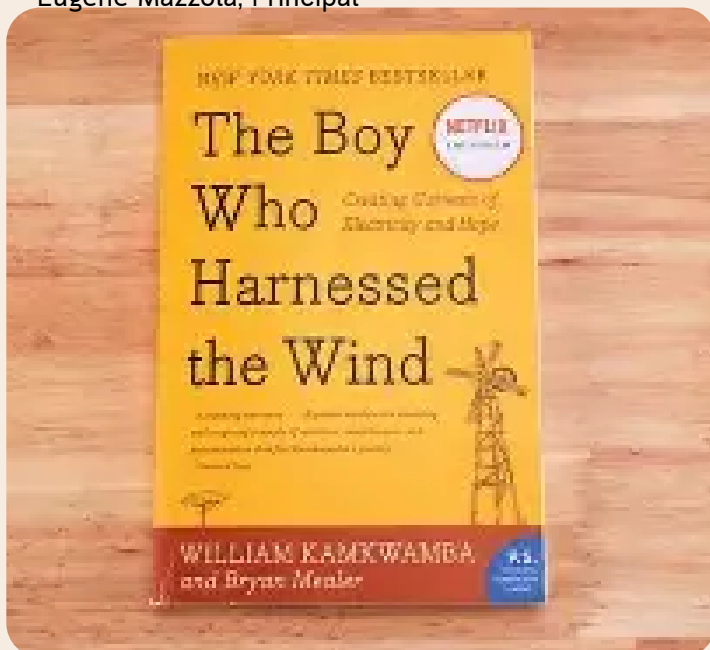

Parents, please take time to discuss progress with your child and encourage them to reach out to teachers or counselors for support where needed; our staff is here to help every step of the way. This season also brings new opportunities for involvement. I strongly encourage our students to join a club, sport, or program that excites them. Getting involved helps build leadership skills, friendships, and a stronger connection to our school community. Whether it's academics, the arts, athletics, or service. Find something that inspires you and lock in on your goals!

I also want to take a moment to express how proud I am of the positive and safe environment our students and staff continue to create every day. Your respect for one another and commitment to maintaining a welcoming, secure campus truly make our school a place where everyone can thrive.

Let's continue to build on our momentum and finish the fall strong. Keep pushing forward, stay focused, and remember, your effort today shapes your success tomorrow.

With pride and gratitude,

Eugene Mazzola, Principal

BOOK OF THE MONTH:

Why This Book:

As the seasons change and we reflect on growth and perseverance, *The Boy Who Harnessed the Wind* reminds us of the power of determination and creativity. This inspiring true story follows William Kamkwamba, a teenager from Malawi, who used his curiosity and passion for science to build a windmill that brought electricity to his village.

Message for Students:

This November, let's be inspired to use our talents and ideas to make a difference. Like William, each of us has the power to innovate, lead, and transform challenges into opportunities.
