Principals Message

December 2025

Dear Students & Families,

As we enter the month of December, I want to take a moment to acknowledge the hard work and dedication our students have shown throughout the first half of the school year. This is a time for reflection, celebration, and preparation as we look ahead to the opportunities the new year will bring.

I encourage all students to stay focused, stay organized, and not hesitate to reach out for support. Our faculty and staff are here to help you reach your goals.

Wishing everyone a productive month and a restful, joyful holiday season.

Let's finish the year strong!

Mr. Eugene Mazzola
